Product Highlights

Class:Oil Only

Dimensions:15 in W x 19 in L

Part Number:SPC200

Overview

Convenient and cost-effective, the original SPC® absorbent from Brady® is a popular oil only line for industrial or marine use.

- White absorbents pick up petroleum-based fluids, paints and non-water soluble chemicals while repelling water - great for indoor & outdoor use
- Light weight - specifically designed for smaller leaks, drips and spills
- SPC® absorbents are made with MAXX® Technology for superior absorbency and greater strength without the added weight
- Perforations provide cost control and reduce waste by allowing you to use only what you need
