

Oil Plus Absorbent Pad

Product Highlights

Class:Oil Only

Dimensions:15 in W x 19 in L

Part Number:OP100

Overview

Oil Plus absorbents are perfect for general everyday use and emergency spill clean-up of petroleum-based oils, solvents and other non-water soluble liquids.

- White absorbents pick up petroleum-based fluids, paints and non-water soluble chemicals while repelling water - great for indoor & outdoor use
- Heavy weight - specifically designed for continuous leaks and larger spills so you use less material
- 3-ply meltblown polypropylene construction provides durability; pads float indefinitely even when saturated with oil
- Perforations provide cost control and reduce waste by allowing you to use only what you need
