Overview

Universal Plus products are chemically inert and green in color (the universal symbol for safety) to indicate that they're intended for use with hazardous materials.

- Surfactant-treated, brightly colored absorbent picks up a wide range of aggressive chemicals while remaining chemically inert
- Medium weight - optimal for most general maintenance needs
- Universal Plus products feature 3-ply construction increasing durability while reducing lint
- Non-perforated absorbents offer the greatest absorbency and better tear resistance in high traffic areas
