## Overview

SPC® Kaddie Spill Kits from Brady® combine absorbents, accessories, PPE and instructions in a mobile kaddie so you are prepared for emergencies when a spill occurs.

- Surfactant-treated, brightly colored absorbent picks up a wide range of aggressive chemicals while remaining chemically inert
- Mobile kaddie is water and chemical resistant and can be easily transported in case of emergency
- Improve worker productivity and efficiency by placing spill kits around your facility close to areas prone to spills
- Mobile kit can be deployed at a moment's notice when a spill occurs while the small footprint allows for storage in tight spaces
