

2 Drum Spill Deck

Product Highlights

Dimensions: 6 in H x 26 in W x 52 in L

Sump Capacity: 21.2 gal (US)

Forklift Compatible?: Yes

Part Number : SC-SD2

Overview

Forklift-friendly, injection molded spill decks and pallets from SPC® share standard lip and grate heights, feature interchangeable grates, and nest for easy storage.

- Injection molding ensures exceptional durability and consistent specifications
- Manufactured to standard lip and grate heights to allow uninhibited movement
- Low profile, 21-gallon capacity, two-drum spill deck contains hazardous leaks in drum storage and dispensing areas
- Two-drum deck includes removable grate and built-in clips allowing for easy connection and expansion - additional decks & accessories sold separately
