

# Spill Pallet - 4 Drum

## Product Highlights

**Dimensions:** 17 in H x 52 in W x 52 in L

**Sump Capacity:** 128.9 gal (US)

**Forklift Compatible?:** Yes

**Part Number :** SC-DP4

## Overview

Forklift-friendly, injection molded spill decks and pallets from SPC® share standard lip and grate heights, feature interchangeable grates, and nest for easy storage.

- Injection molding ensures exceptional durability and consistent specifications
- Manufactured to standard lip and grate heights to allow uninhibited movement
- Spill pallet complies with governmental secondary containment regulations and is designed to hold a full drum's contents
- Pallet includes removable grate with large openings and pins to keep the grate in place (spill decks, ramps and other accessories sold separately)

## Specifications
